Comments

“This is my first time attending a workshop in this district having come from a different district everything was very well organized, ran smoothly, and organizers and attendees alike were very friendly and helpful.”

“The day was well planned and the presenters did a great job!”

“Very well planned and organized, awesome job!!”

“Thanks to everyone who put everything together. It was very well organized and exceeded my expectations!”

“The type and variety of presentations/trainings offered was really comprehensive. It's a good sign that it proved difficult to choose between classes.”
