
BIRTHDAY CELEBRATIONS

Stony Brook School Staff are always happy to celebrate students' birthdays and have designated a day each month to recognize those students in the class who are celebrating a birthday.

In accordance with the district's nutrition policy, there will be no food distributed in any of the classrooms. Goodie bags, candy, balloon bouquets, and other party related items (i.e. games) are also not allowed in school. In addition, invitations for birthday parties outside of Stony Brook cannot be distributed in the school or classroom.
