ARE YOU NAVIGATING THE COMPLEXITIES OF MENTAL HEALTH, BEHAVIORAL CHALLENGES, OR DEVELOPMENTAL SUPPORT FOR YOUR CHILD?

- ✓ Behavioral and Emotional Challenges
- ✓ Mental Health Crises
- ✓ Developmental Delays and Disabilities
- ✓ School Avoidance and Social Challenges
- ✓ Trauma and Abuse
- ✓ Substance Use Issues

Through the New Jersey Children's System of Care, learn how PerformCare can connect you with vital resources, services, and support tailored to your child's unique needs.

- **How to Access Services:** Learn the step-by-step process for connecting to the right care, from mental health to special education services.
- **Support for Every Stage:** Whether your child is struggling with a behavioral issue, developmental delay, or emotional health concerns, PerformCare has resources for you.
- **Navigating the System:** Get expert advice on managing your child's care and accessing support without confusion or frustration.
- **Crisis Situation Resources:** Hear about crisis intervention services, which can be vital in a time of emergency or mental health crisis.
- **Early Warning Signs:** Learn how to identify signs that your child might benefit from services. Early intervention is key to addressing challenges before challenges escalate.

You Don't Have to Navigate This Journey Alone.
